**SUBMISSION OF NEW DECLARATION**

Hon. Commissioner of Patents  
Washington, D.C. 20231

Sir:

The above-identified application was originally filed on December 20, 2000. The originally executed Declaration was filed on April 3, 2001, with a Filing Completion Under Rule 53(f). That Declaration erroneously listed the filing date of the Priority Application as December 20, 2000, instead of the correct date of December 20, 1999.

Attached is a new Declaration with a corrected priority date.

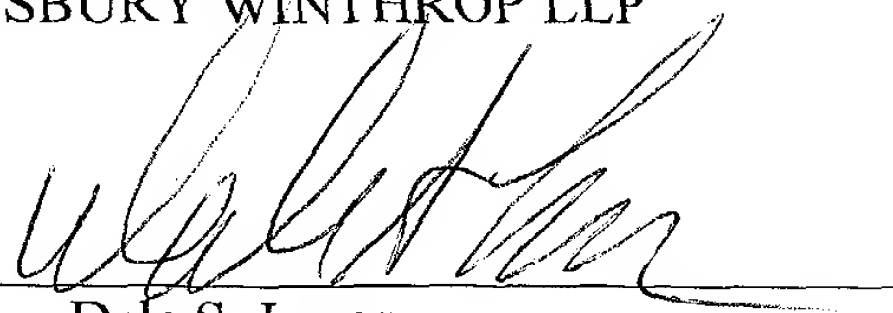

Applicants claim the benefit under 35 U.S.C. §119 of Application No. 11-360967, filed in Japan on December 20, 1999.

It is respectfully requested that the PTO records show the correct priority date.

Respectfully submitted,

PILLSBURY WINTHROP LLP
